Language

- Italiano
- Inglese
- Portoghese

Rafael Leonardi

Full Stack Developer

Education

2012-2018)

ISIT BASSI-BURGATTI (CENTO)

Diploma in Informatics and Telecommunication

Training course

I just finished the Full Stack Web Developer course made by Boolean.

It started on September 2022 and lasted 6 months, about 700 hours total.

I was able to carry out several projects, presented on my GitHub profile, and to develop my aptitude for problem-solving and working towards goals

Experience

(2017-2022)

- Blackout Group (30/06/2022 - 01/09/2022)
-Warehouse management
- Amazon Spilamberto (10/10/2021 - 15/01/2022)
-Warehouse worker
- Costa Blu Residence (01/06/2021 - 30/09/2021)
